

Notification of Limited Account
Access

DearXXX,

As part of our security measures, we regularly screen activity in the PayPal system. We recently contacted you after noticing an issue on your account. We requested information from you for the following reason:

We recently received a report of unauthorized credit card use associated with this account. As a precaution, we have limited access to your PayPal account in order to protect against future unauthorized transactions.

Case ID Number: PP-908-648-751

In accordance with PayPal's User Agreement, your account access will remain limited until the issue has been resolved. Unfortunately, if access to your account remains limited for an extended period of time, it may result in further limitations or eventual account closure. We encourage you to follow our verification procedure as soon as possible to help avoid this.

[Click here to login and restore your account access](#)

Once you log in, you will be provided with steps to restore your account access. We appreciate your understanding as we work to ensure account safety.

This is a final reminder to [log in](#) to PayPal as soon as possible.

We thank you for your prompt attention to this matter. Please understand that this is a security measure intended to help protect you and your account. We apologize for any inconvenience.

Sincerely,
PayPal Account Review Department

Protect Your Account Info

Make sure you never provide your password to fraudulent websites

To safely and securely access the PayPal website or your account, open a new web browser (e.g. Internet Explorer or Netscape) and type in the PayPal URL (<https://www.paypal.com/row/>) to be sure you are on the real PayPal site.

PayPal will never ask you to enter your password in an email.

For more information on protecting yourself from fraud, please review our Security Tips at <https://www.paypal.com/row/securitytips>

Protect Your Password

You should never give your PayPal password to anyone, including PayPal employees.
